

United States Mint Offers Missouri Quarters in Two-Roll Sets and Bags

July 21, 2003

WASHINGTON — The United States Mint announced today that state commemorative quarter-dollar coins honoring Missouri, the fourth coin in the 50 State Quarters Program to be released in 2003, will go on sale beginning August 4, 2003, at 12:00 noon (E.D.T.), and will be available for purchase during the 10-week release period. The Missouri quarter-dollar coins are available in two-roll sets (40 coins per roll), including one Philadelphia and one Denver mint mark coin roll each, and in bags of 100 and 1,000 coins. The Missouri quarter-dollar coins are also available as part of the United States Mint's popular Subscription Program.

Missouri became the 24th state to be admitted into the Union on August 10, 1821, as a part of the Missouri Compromise. The Missouri quarter-dollar coin depicts Lewis and Clark's historic return to St. Louis down the Missouri River, with the Jefferson National Expansion Memorial (Gateway Arch) in the background. The quarter-dollar coin is inscribed, "Corps of Discovery 1804-2004."

Each coin roll in the two-roll set is wrapped in a specially designed United States Mint paper coin wrap that prominently displays the 50 State Quarters program logo, a "P" or "D" representing the roll's mint of origin, "MO" designating the State of Missouri, and "\$10" representing its dollar value. Each bag is marked with the mint of origin and the dollar value of its contents (\$25 or \$250). Two-roll sets will sell for \$32.00, bags of 100 coins for \$35.50, and bags of 1,000 coins for \$300. These two-roll sets and bags, featuring quarters used in regular transactions and struck on our main production floors at the Philadelphia and Denver Mint facilities, will be shipped directly from the United States Mint to customers. There is no order limit on these products.
